

# IRRIGATION TECHNICIAN TRAINING AND OPTIONAL EXAM

John Deere Landscapes would like to invite you to the **Irrigation Technician Training Event!**

**WHEN:** **CLASS** February 23, 2015 8am-5pm  
February 24, 2015 8am-12pm  
**Optional EXAM** February 24, 2015 1pm-4pm

**WHERE:** Hyannis Golf Club  
1800 Iyannough Rd.  
Hyannis, MA 02601

**COST:** \$200.00 or 20,000 Partners Program Points  
or 500 Hunter Points  
Payment must be received by February 15<sup>th</sup>  
**\*\*Cost covers the preparation course only and  
includes lunch each day. IA Exam test fees are  
separate (\$300 for non member and \$175 for  
members) and must be paid 30 days in advance of the  
exam directly to the Irrigation Association via their  
web site: [www.irrigation.org](http://www.irrigation.org)**

**Why do I need to take this class?** Certified irrigation technicians are the field technicians that help install, maintain and repair irrigation systems.

- Cut and join pipe, know the limitations of different piping systems, and understand basic hydraulics.
- Layout and install piping and water delivery components;
- backflow prevention components; mechanical, hydraulic and electrical irrigation controls; and other irrigation system components.
- Troubleshoot and repair irrigation components and systems.

**Becoming a Certified Irrigation Technician allows you to:**

- Add instant credibility with customers.
- Increase job opportunities.
- Demonstrate your commitment to efficient water management
