

IRRIGATION CONTRACTOR TRAINING

Irrigation Contractor is any person who installs, services, and repairs irrigation systems.

Irrigation Contractor training is designed to:

- ◆ To help professionals in the irrigation industry understand what is expected of a competent irrigation contractor.
- ◆ To identify areas and topics in which contractors should be experts in order to achieve business goals and profitable results.
- ◆ To prepare individuals who will be taking the CIC examination.
- ◆ To refresh the existing skills of irrigation contractors.
